Thanks Greg!

This meeting would be separate from the usual executive committee agenda setting meeting. Let's see when everyone else is available and proceed on the date with the greatest availability.

My goal would be to start the conversation on 4 overarching objectives (in conformance with master plan) and committee. This will only be an initial conversation on these items.

15 afternoon no good for me.
13 works well.

I also have a prior exec meet scheduled for 2p on 22nd.

19, 21 also work well for me.
